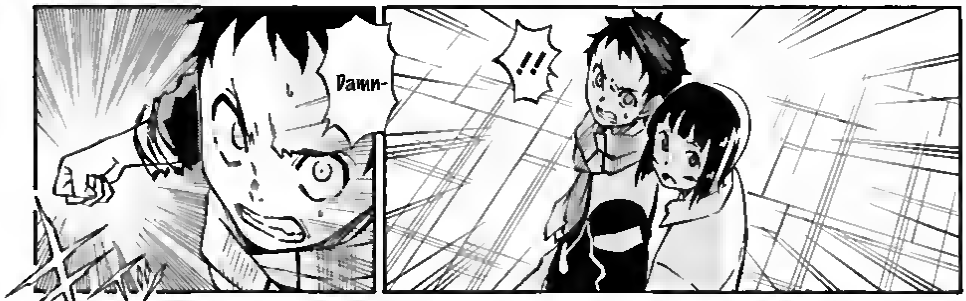
ドザッ
Huh-
That Dross must not
exist in this world.

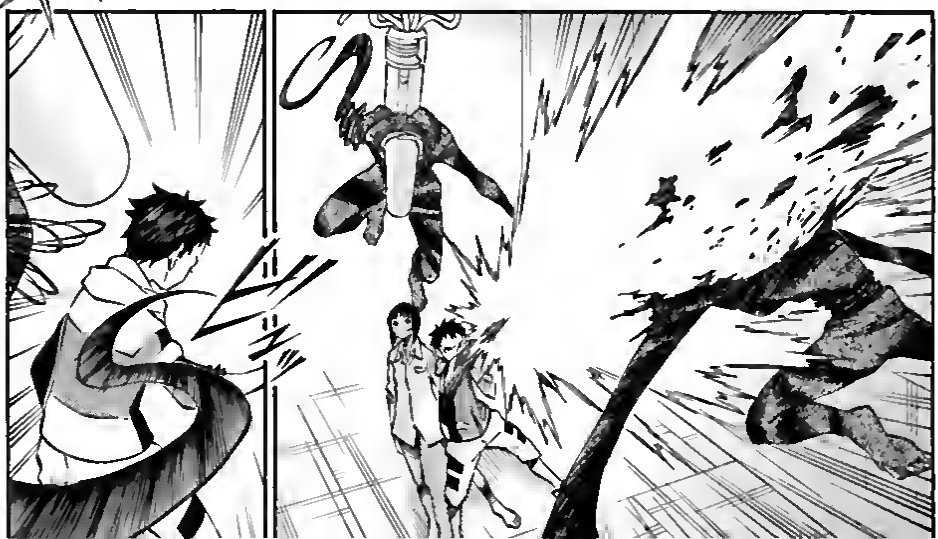
I will dispose of it.

But...
Could that be an Ember ability too!?
A sword... came out of his hand!?
Wh- what the heck!?
I have no idea why you want to,
Suddenly showing up
to get rid of Momiji...
but if you lay even a finger on her,
I will kill-

YOU-



Damn-
!!



ah
hhh
hhhh

Grr...
Why, you-
Uwah-
Ow...
ドシャッ
ヒュン

You're just as I thought.
You're

Gahhh-
I've been observing you these past few days, but...

just small fry.
A brat who can't fight without relying on his ability...
You quickly run out of energy since you don't conserve your power.
Why does that Kii refuse to leave you?
If you can't move,
the Kii can't either.
However, because of you,
you managed to turn a Kii docile.

ギィルル
キィィン
Don't bully
Kage-rou!!
Kii attacks are a nuisance,
but as long as they're attacking a single target,
ハァ
ハァ

you can stop them with pure numbers.
Momiji!!
Ugh...
Ug...
Ugh!

Capture complete.

MOMIJI BACK...
GIVE ...
WA ...
WAIT ...
I'm guessing you can barely stand now.
You've exhausted your energy
and your legs are bleeding.
Give it up.
MOMIJI...
GIVE...
WAIT... STOP THERE!
DON'T FUCK..
WITH ME .

BACK!!

……
アアアッ

!!
Just as I was thinking those three were taking a while to get back,
something like this happens...
What are you guys trying to do?
Making dross, attacking people,
and this time, making use of kids...
What are your intentions?
You really don't get a thing.
Long time no see, right Jyudo-kun?
Shi-mura...

We just want to
save this world.
You're crazy...
Geez.
My my...
I lost, huh?

Wh... where am I?
Kage-rou.
Wah-
Mo... Momiji?
Why are you a kid-
Eh?
Ah-
Eh !?
Kage-rou.

Eh!?
Momiji...!? Just now... Eh!?
Why!?
What the heck is this!?
Ka

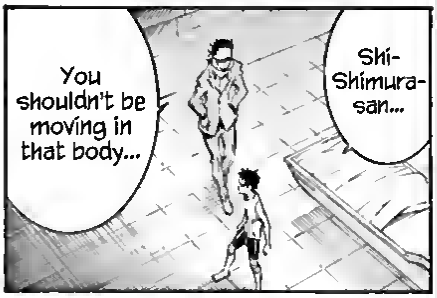
ro...

Momiji
!!
haa-
haa-

Where's Momiji-
That said... This place...
...Was it a dream?
It wasn't a dream...
.....
Augh-
Fuck ...!!
I need to go-
So that guy... That weird white guy...
took away Momiji ...



You shouldn't be moving in that body...
Shi-Shimura-san...

Where do you think you're going~?

need to go to Momiji.
...I

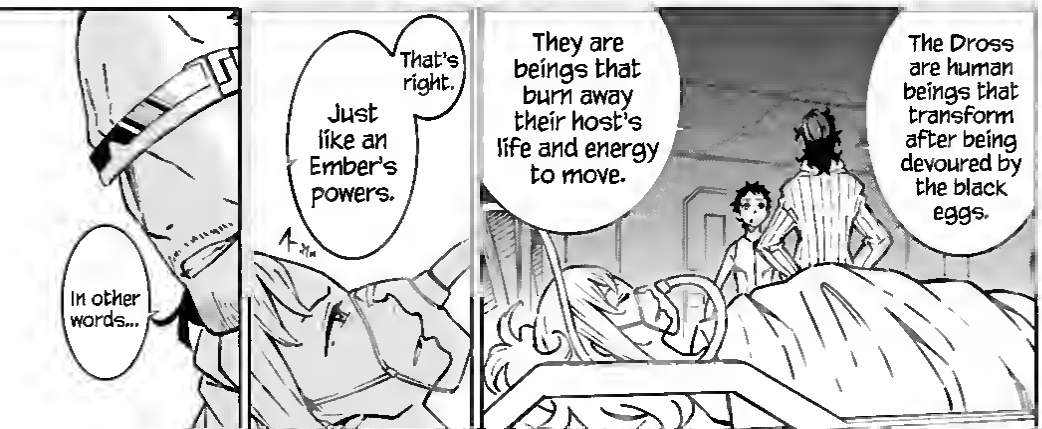
That's...
But-
Who do you think that enemy was?
No.
You know where she is?

...You shouldn't get involved with 'em.

Wherever she is or whoever my enemy is, I...
need to protect Momiji!

Their organization, *Apothanasia*,
is the ringleader that created the Dross.

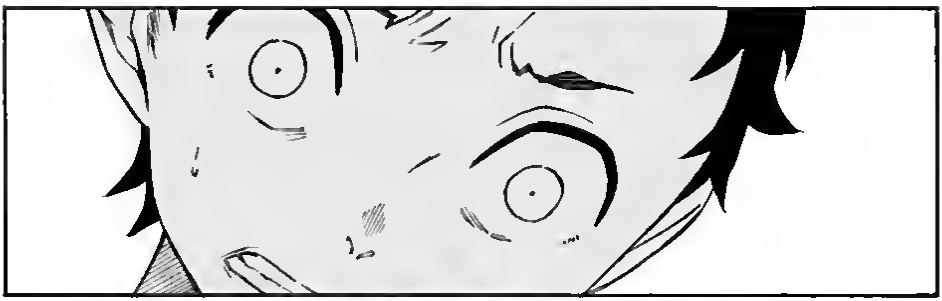
Huh?
Actually, accurately speaking, the black ball creates them... Or should I say, a black egg...

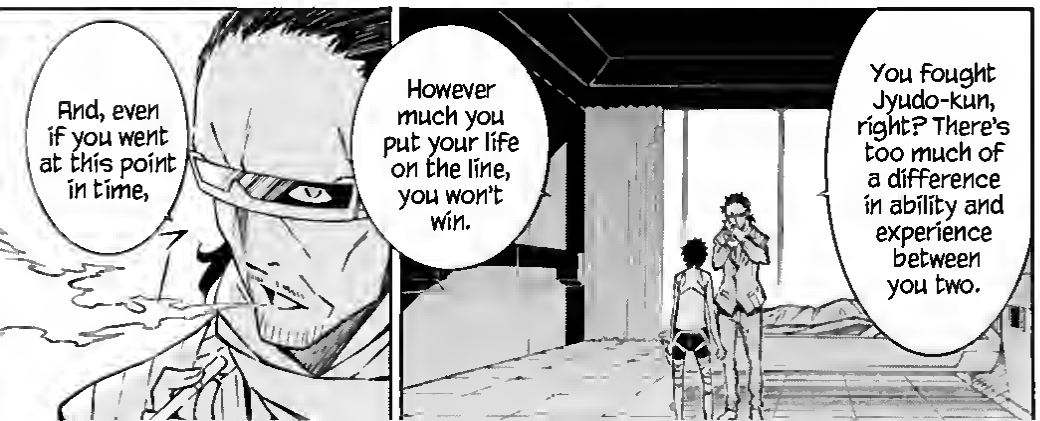


The Dross are human beings that transform after being devoured by the black eggs.
They are beings that burn away their host's life and energy to move.
That's right.
Just like an Ember's powers.
In other words...

The Dross were originally human.
Whichs means that we're...
ex-humanoid monsters that kill monstrous ex-humans.
To begin with, you can't save her.
that has nothing to do with this. I need to save Momiji-
...Th-

Since you're
seriously small fry.





You fought Jyudo-kun, right? There's too much of a difference in ability and experience between you two.
However much you put your life on the line, you won't win.
And, even if you went at this point in time,

she's probably getting killed already, you know?
Then what should I do!?
Then...
I'm weak,
a small fry,
and a burden...
you managed to turn a Kii docile.
However, because of you,
good-for-noth-ing,

I'm forced to stay home everyday to care for my mother who has been sick for over 15 years

!!
!?
Augh-
Wha-
Waking me up...
Your whining is annoying!
Wha... Bitch...
Hey, Pops.

Where are they?
Tell us.
I'm telling you, it's just plain irrational.
Until this day, whenever something happened with those guys, they would avoid us, yet...
You know, don't you, Pops...?
You're *too* well-informed about them, aren't cha'?
If you want a goal, why don't we just make it "getting her back"?
Even if we get involved with them, there's no point. Going there just to be killed...
Our goal is to "return them back to people."
It's no good~!

This is a kid's hope for his beloved Dross-chan
to return to human form,
right?

And, if these guys are making Dross,
wouldn't they know how to change them back?

Changing Dross back to human...

I ain't gonna be satisfied
if I don't murder him, even if it means dying!
And hey... I'm not gonna sit back and watch!
Even though we need to kill all the Dross,
getting sliced by some ass-hole who creates them...
There's no way I can just let that slide...

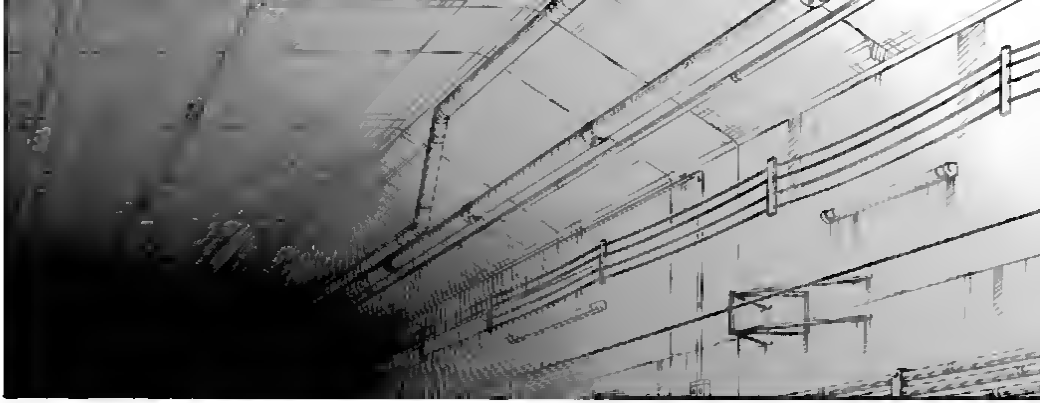
But of course,
for that goal,
we'll need some *irrationality* ourselves, hm?
Geez, Kiri-chan has a pretty troublesome personality, huh...?
Until the bitter end, retrieving her will be our goal.
But don't get too deep. No getting yourself recklessly killed.
Tsk
Fine.
To that.
this case is closed.
If you can't consent to that,

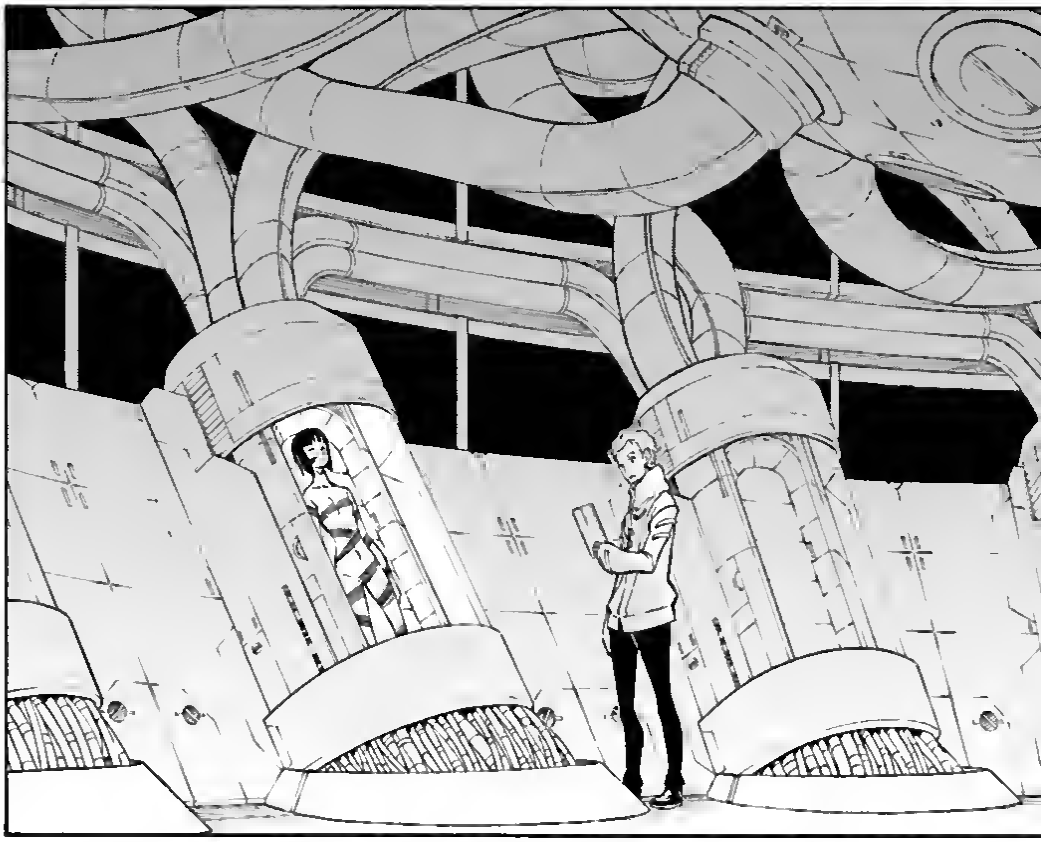
To normal?
Oww-
Can they change her back?
Fuck-
Until then, let's strategize...
Well then, you will depart in five hours, prior to daybreak.
This time for sure,
ナデ

can I really...
protect Momiji...?
From what I think,
In terms of a way to protect someone you treasure, even if you're weak or small fry...
This is about what you were saying earlier, but...
Oh yeah, Kagerou-kun.

I believe you can only get stronger
by putting your life on the line.
I see...
He's right— In the end— Only that—
There-fore,
in the five hours prior to departure,
you'll be getting stronger by risking your life.

If you're still small fry after five hours,
you can be our house-sitter.
Huh!?
Thinking you're a "burden"
or "good-for-nothing" is just a hindrance.
Wha-
A human being who can't even protect himself
can't protect someone else, you know.





No mistake ...

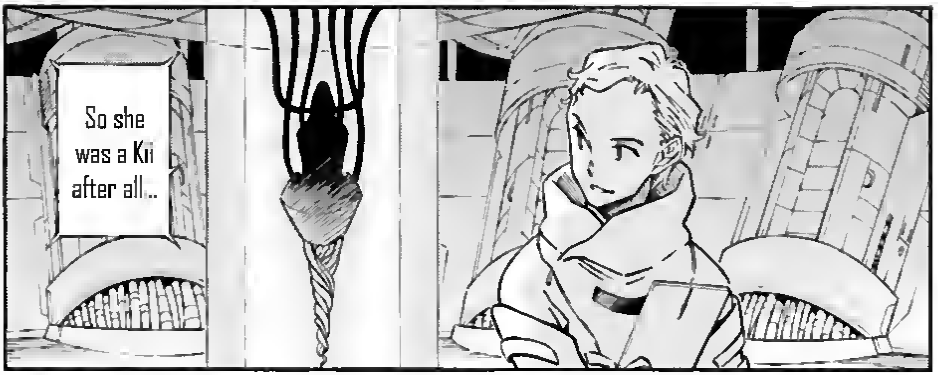
This girl...



So she was a Kii after all...

If we dispose of the Kii-
It's too bad
That's correct.
At last, we can end everything.

There's nothing but disgust, isn't there?
